

Classroom Training

Pharmacy Technology Solutions is excited to announce that classroom training sessions for Propel Rx and Propel POS are now available at the McKesson Mississauga office.

propel Rx

WHAT YOU'LL LEARN

We'll cover the Essentials of **Propel Rx** including Prescription Intake, Refilling Prescriptions, Patient and Prescriber Folders, Reports, and more!

propel POS

WHAT YOU'LL LEARN

We'll cover the Fundamentals of **Propel POS** including Creating Products, the Till Application, Customer Charge Accounts, Discounts & Promos, Daily Reports, Purchasing, Receiving, Inventory Best Practices, and more!

IMPORTANT

- For either training, please arrive 10-15 minutes before the start time to check in at reception and get your visitor's badge.
- Complementary lunch and refreshments will be provided for either session.
